The Ultimate Fantasy Book List for Christian Kids (and those of us who still think we are)

For those of us who love to read fantasy, we have one problem. We can't get enough. While we have favorite series that hold special places in our heart, we hunger for another quest or adventure into the unknown.

Perhaps you've heard the question, "What can I read now?" a lot recently. Maybe you're looking for something to capture the imagination of your elementary or middle school kids. (Okay, I'll admit it. I like reading elementary and middle school fantasy to take my mind off being an adult for a while!)

If so, this *Ultimate Fantasy List for Christian Kids* is for you. I hope it leads you to your next great adventure!

Check out this information first!

- *I've included some of my "to read" list. If I haven't read a book, I put a star after the author's name.*
- *Not all books from all authors are listed. If you like an author, check out the rest of his/her books.*
- *While the books are organized by age groups, don't hesitate to read up or down a level.*
- *Not all books are written by Christian authors. If there is something objectionable that I know about, I note them at the bottom of their section.*
- *The PDF comes with a handy box in front of each box for you to check off when you have finished reading it.*
- *There are currently 107 books on this list! But it's not finished! I will continue to add books as more fantasy novels come to my attention. To get the updates, make sure to sign up for my newsletter.*
- *There is another list for teens and adults called [The Ultimate list for Christian Teens and Adults \(and those who wish they were\)!](#)*

But enough talk. We are not ones to linger comfortably as shadows grow. We were made for grand quest, adventure, and battles. Grab your swords, prepare your faithful steed, and follow me into danger!

(In other words, I'm through with the technical stuff. Here are the books.)

The Percy Jackson series is a thrilling and humorous tale, but I often hesitate to recommend it due to the fact that Percy and many of his friends are demi-gods, children of Greek gods and humans. However, you could use it to talk about the one and only demi-god, Jesus.

Don't forget that there is a list for teens and adults as well called – [The Ultimate Fantasy Book List for Teens and Adults \(and those who wish they were\)](#). There are currently 65 books there.

Hopefully, the books should be enough to keep you busy for a while! If not, visit my webpage for more suggestions if you need it. Don't hesitate to let me know if I've missed some books, and I'll try to get them on the list.

Onward and upward,
